

1 INT. PHARMACY

1

Pharmacist is doing paperwork behind a counter.

Ethel's friend enters. Pharmacist looks up.

PHARMACIST

Hi, how can I help you?

ETHEL'S FRIEND

I need to send a telegram.

Pharmacist pulls out a telegram pad.

PHARMACIST

Ok, to who and to where?

ETHEL'S FRIEND

To my friend Ethel McKnight who's
at a seminar in Beirut at the
Beirut College for Women.

PHARMACIST

Really?

ETHEL'S FRIEND

Yea, she gets around. Likes to keep
busy.

PHARMACIST

What do you want to say?

Pharmacist starts to write as Ethel's Friend recites.

ETHEL'S FRIEND

Dear Ethel. I just finished an
article for the Hightstown Gazette.
The Board of Education is renaming
a Twin Rivers School and I thought
I should send you a telegram to let
you know who they named it
After. They named it after
you. Congratulations! You deserve
it.

She finishes reading and takes a moment to let it sink in.

PHARMACIST

Holy macaroni. They named a school
after her?!

ETHEL'S FRIEND
Yes... yes they did.
